"When I saw our
wedding photos, I was
completely
speechless!"

Hello there!

FRESH AIR PHOTOGRAPHY

It's great to meet you...well, kind of meet you! Hopefully, we can meet face to face sometime soon! I'm so thrilled you're considering me for such an incredible day! The truth is your elopement is a once-in-a-lifetime occasion—the two of you are about to start the most challenging, rewarding, exciting, life-changing experience of your lives together—and choosing someone to capture that day, through photos, is a BIG decision.

It's really important that you find someone whose work you **LOVE!**

But! I also believe it's equally important that you find someone who will **bring out the best of who you are** in your photos!

Someone who will make you feel relaxed, play on your enthusiasm for the day, and keep things FUN!

After all, your wedding day is meant to be an amazing celebration, and part of that is relaxing and having fun with your photographer!

I'm a lover of adventure, an artist, a dreamer, and a huge fan of ice-cold Corona after a good hike. Give me a good photo location and we can get lost for hours. I hope this guide gives you an idea of my style and a good glimpse into who I am!

FRESH AIR PHOTOGRAPHY

Hi! I'm Sherry! I'm so happy you've found my adventure wedding guide! I'm based between the beautiful Sunshine Coast and Kamloops, BC. I live to capture special moments in time, especially the emotion of two people in love running away to get married in an epic intimate setting. Whether you crave sand between your toes, mist on your face from a picturesque waterfall or snow crunching underfoot during an incredible mountain hike, I'm down for making your dream wedding or adventure elopement happen! Besides, with BC having some of the most amazing places to elope—The Sunshine Coast, Tofino, Sea to Sky, Banff—the world is your oyster! Scotland, Iceland, the Azores or Faroe Islands may also be places you want to go and I've been to all of them and more, so I have you covered.

Give me a shout and let's get this going. I'll make things happen and be there to capture it all!

A romantic photograph of a bride and groom kissing on a rocky beach. The bride is wearing a white lace wedding dress and has her hair styled in a braid. The groom is wearing a dark suit and glasses, with a sunflower boutonniere on his lapel. The background shows the ocean and large rocks.

FAQ

Do you Travel?

Yes, that is exactly what I do! I would love to discuss your travel plans for a custom quote. Some destinations may not have travel fees involved as it may be a place I wish to return to after travelling there already, or it is a destination on my bucket list!

Can we book for only a couple of hours?

Yes, I can create custom packages for my brides and grooms. Your wedding photos are the only thing you will have left to remember your day, so I definitely recommend capturing the *entire* event, and not just a couple hours!

How much do you edit your photos?

Post processing is the most time intensive part of your wedding as I work hard to ensure every photo meets my artistic standard. Every photo has my custom look applied, and is adjusted for things like brightness and colour.

How long do I need to plan ahead?

I have couples successfully plan elopements anywhere from a week to two years out! An average length is about 4-10 months. This gives you time to book flights and lodging and get the best pricing!

Can other people come?

Absolutely! An elopement used to be thought of as two people in love (and often in a "family way") that ran away to be married. It does not mean that anymore! It's two people that want something different, meaningful to them, and entirely about their love and how they wish to celebrate that in marriage. Some bring their closest friends and family to witness their union. In general, most smaller weddings of 25 and under are now considered an elopement if there is some travel involved.

I'm ready to book! What next?

Amazing! I can't WAIT to get to know you and am so thrilled you've chosen me to capture your day! To book, I require a signed contract and deposit. Dates cannot be reserved until these are both received. Contact me today and I can get the ball rolling!

"Simply the best! Sherry captured our day and our love in a way we had never seen before!"

Photography packages include digital versions of your photos.

For those looking to create a piece of art for your wall, I also offer different wall art options and sizes. I can also consult with you and provide virtual rooms to view your photos showcased in different ways—canvas, archival prints, metal and acrylic options—all available from a high-quality, professional lab.

Don't let your most precious memories live on a computer!

XO XO
